

**CITY OF YORBA LINDA
MEMBER OF THE CITY COUNCIL**

ED RAKOCHY

AGE: 47

OCCUPATION: Cinematographer

Public service means just that; to serve the public. As your Yorba Linda City Councilman I will serve your interests, not special interests. While our community continues to grow, I will listen to your concerns about traffic, noise and congestion and heed your calls for more athletic fields, open space and an arts facility for our children. And more importantly, I will respond to those concerns and take action.

I will work to maintain the small town atmosphere and quaint ambiance in our Town Center and will respect the rights and concerns of property owners and businesses as the Town Center project comes to fruition.

As your City Councilman, I will work with you, your neighbors, our community and the Council to find solutions to these issues and many more. Yorba Linda City Council needs an independent thinker, someone who thinks outside the box, does his homework and provides fiscally prudent methods to continue the excellent quality of life we enjoy in our City.

I'm ready to work for you and I would appreciate your vote on November 2.
